Hey Mark,

Thanks for the update. Would it make sense to take a look at the current locations and map out all future locations? I know we have a map for 6 more camera locations, since you will be going to council anyway it might make sense.

Great seeing you this morning!

Kyle,

The Chief will be bringing the Flock camera expansion to the council sometime in the coming months. A date has not been set yet but it's on his radar. The Chief told me today at a staff meeting that the Flock expansion project is one of his technological priorities. If we need assistance I will for sure let you know. Thanks again Mark

Hey Mark,

This is great, thank you so much. Did Benicia ever get approved for the additional cameras? Let me know if you need me to do anything on my end.

Thank you,

Kyle

Kyle,

This is the form we use. Agencies who are requesting to share Flock data must sign the form and agree to adhere to our policy. Below is the part of our policy that covers sharing info with other agencies. Our entire policy is available for review on our city website.

We don't have a formal MOU agreement per se . Participating agencies must be approved by our Admin and sign the acknowledgment form. Let me know if you have any questions.

470.9 RELEASING ALPR DATA The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law. (a) A supervisor at the requesting agency will sign an acknowledgement letter stating that the shared data will only be used for the purposes that are aligned with the Benicia Police Department's policy. The Benicia Police Department does not permit the sharing of ALPR data gathered by the city or its contractors/subcontractors for purpose of federal immigration enforcement, these federal immigration agencies include Immigrations and Customs Enforcement (ICE) and Customs and Border Patrol (CPB). (b) The signed letter is retained on file. Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55)
