Hi Mark and Irma, running past legal now with the request for updates. Should have this turned around tomorrow. What's the expected turnaround time on your end once we complete so we can start setting delivery expectations internally at Flock?

Best,

Aaron

Hi Irma, I'll run that past my legal team. Was that his only comment so we should be good to go if we can make that change?

Thanks

Hi John,

Our City Attorney has a question regarding the contract:

I'd like to ask them to change section 10.6 to have the contract governed under the laws of the State of California, rather than Georgia, and have the arbitration be located in San Francisco, California.

Can we make this change please?

Thank you,

Irma

Hey Irma, it was just signed by my team so you should have received the document for signature. It would have just arrived via PandaDoc (our digital signature software). It went to Lt. Menesini's spam/junk type folder so please take a look there if you don't immediately see it.

Also, do you know when you expect to be able to have the City Manager sign it? Was hoping that it's a real quick process now that the Council approved so we were crossing our fingers that we'd get it back this month if possible.

Thanks,

John

No problem. Since you're taking over the agreement portion I'll set you as the signer so the link will go to you. I'll make sure that you'll have the ability to reassign it to the City Manager.

I'm resubmitting it right now, and you'll receive a copy as soon as it's completed by my VP.

Thanks,

John

Hi John,

Hope you're well. I'm taking over the agreement portion of this from Lt. Menesini since I'm back part time from my maternity leave so I'll be working closely with you on this end.

Can you please renew the link to the contract since it's since expired?

Thank you!

Irma
