Hello Irma,

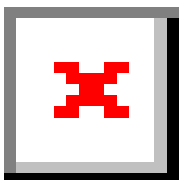

Here is the link: <https://transparency.flocksafety.com/benicia-ca-pd>

For the part about sharing in terms of that when an automated sharing request comes in those of you in the admin, the group will get an email. Most of the time PD's will leave a contact of who is requesting access, then all you would need to do is reach out to that person, send him the paperwork, and once you get it back just approve the request.

For folks outside of a 50-mile radius, what I will do is actually give them your contact information and have them reach out directly to you. Then you would just go on the org management screen, under cameras, and then share with that PD directly.

Let me know if that works for you! And again, sorry about the delay.

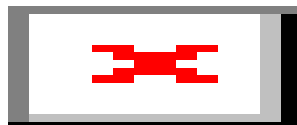

Best,

Graham Carter

No problem. Thanks Graham.

I emailed you a follow up on that as well after our conversation regarding going the manual route. In any case, looking forward to further discussions on that.

Hello Irma,

Sorry about that! Yes, I received it! I was out super late with an HOA meeting in Emeryville. I am working on this today and hope to have a final link for you by EOD.

I have also asked John to reach out and provide some guidance on the sharing questions we chatted about the other day.

Again sorry for the delay!

Best,

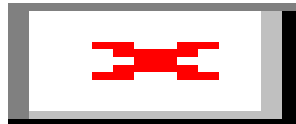

Graham Carter

Hi Graham,

Here's the department's policy to be included in the Transparency Portal. Please send me the link when it's all completed so we can have it on our website.

Thank you,

Irma
