Subject: Do you have a Flock Success Story?

Hi Team,
I was hoping you may be able to assist... I've been asked to reach out to our top tier customers about any Success Stories you might have had recently due to using the Flock Platform. Perhaps it's a stolen vehicle, or harsher type crime, we are open to everything and anything over the last few months. Looking for a short paragraph about what happened and how Flack was able to assist. I'd be happy to work on it with you (or provide examples).
